

## Model Summits of Asia Hamburg

An authentic simulation of Asian politics and international legal issues

Would you like to learn more about the challenging work of a diplomat in Asian institutions of high international relevance or are you curious about how legal experts are dealing with an international criminal case? If so, join MSA Hamburg either by slipping into the role of an ambassador representing a country of your own choice or by taking on responsibility as an international legal expert. This event will allow you to experience the essentials of international relations while getting to know other individuals from different disciplines and nations.

MSA Hamburg takes place from **May 23<sup>rd</sup> to 26<sup>th</sup> 2013** at the **University of Hamburg**.

We offer you simulations of the following five committees:

1. Association of South East Asian Nations Summit (crisis)
2. The High Council of the Treaty of Amity and Cooperation in Southeast Asia (crisis)
3. East Asia Summit
4. Asia Pacific Forum of National Human Rights Institutions
5. Khmer Rouge Tribunal (ECCC)

Furthermore, there will be up to six simulated press agencies, each having its own delegate, to be referred to as "The Press Mob" altogether. Additionally, there will be an administrative office ('Secretariat') functioning as an info-point assisting delegates with their queries and other requests such as minor research tasks.
